

## Authorization for Audio/ Video Recording of Presentation and Posting on nanoHUB

I hereby agree to the following actions by Purdue University's *Network for Computational Nanotechnology* (NCN) faculty, staff, and students relative to my personal delivery of a technical presentation:

- 1 **Today's Recording** - I hereby permit the audio and video recording of my presentation, and that such recordings may be archived by Purdue University and the NCN for subsequent historical viewing.
- 2 **nanoHUB Release License** - I hereby grant the **NCN** and its community website **nanoHUB.org**, which is maintained at Purdue University, license to copy, distribute, display, and perform the materials here recorded and submitted and any derived or collected works based upon them in perpetuity. nanoHUB.org may make modifications to the submitted materials or build upon them as necessary or appropriate for their services. nanoHUB.org will attribute these materials to the author(s). A human-readable summary of the legal code can be found at: <http://www.nanohub.org/legal/contribute/license/>

**Please mark if you wish to select the license option below:**

\_\_\_ **Optional Creative Commons license** - I further agree to license my work under the Creative Commons 3.0 license recommended by nanoHUB. I have read the license terms, which supports non-commercial use, require attribution, and require sharing derivative works under the same license. The Creative Commons license "Attribution-NonCommercial-ShareAlike 3.0" can be found at the URL: <http://creativecommons.org/licenses/by-nc-sa/3.0/>

3 **License Granting** - I hereby certify that I am the author of this original work, or I am authorized by the owner(s) to grant license to its use as identified in section 2 above.

**Please mark one:**

\_\_\_ **Yes**, I certify that **I am the author** of this original work, **or I am authorized** by the owner(s) to grant license to its use and grant all permissions as listed in section 1 and 2 above, **including posting on nanoHUB.org**.

\_\_\_ **Yes, But** I need to obtain **additional approval** to release my presentation either under the Creative Commons license or to grant the NCN permission to make my presentation available.

\_\_\_ **Yes, But** I am not sure of the ownership **of some** of the materials used within my presentation, and believe their usage falls under "fair use".
